VISION 2021

- **Strategic Battle Plan, starting and finishing strong—21 Days of Prayer and Fasting**

In this decade, we will proclaim, "No matter what, we walk by faith, not by sight". I believe that nothing of substance ever happens without quality time spent in prayer. The Spirit of God has impressed upon me to lead our church into 21 days of focused prayer and fasting. New Covenant is entering the 5th decade of ministry. We are calling it "the Decade of Jubilee"; a decade beyond time of rejoicing, restoration, refreshing and revelation.

This call to prayer and fasting is most comprehensive and fully covers our ministry. I trust that you will embrace this time of prayer and fasting with a sincere heart. God started this ministry on the foundation of prayer and if we would pay the price in prayer, run the race, we will walk in the overflow. These 21 days can be life-changing as we covenant together, spending time each day in prayer and selected fasting. Included is a prayer agenda that will govern and guide our 21 days of incredible power-packed fellowship with God through our Holy Spirit. Together we can make a difference.
