WITH A NO MATTER WHAT KINGDOM OF GOD MENTALITY!

VISION PRAYER REGIMENT FOR 2022
Strategic Battle Plan for Consistent
Overflow in 2022

We are in the midst of a decade that has been proclaimed as the year of the Arm of the Lord. (Isaiah 53:1). A time when our strong faith, effective prayer lives, unity in the Kingdom of God, and the promise of a supernatural corporate response of God's manifested favor will produce a continual outpouring of God's promises realized in our lives. We are in a time of intense spiritual warfare where our commitment to God, church and our families are being challenged. A time where many are being deceived by the enemy and their inability to discern his attack must be identified and overcome. This 21 Day Fast and Prayer Agenda is designed to recalibrate our commitment and focus on what God's plan is for us. Remember, this is your decade of Jubilee.

This call to prayer and fasting is most comprehensive and fully covers our ministry. I trust that you will embrace this time of prayer and fasting with a sincere heart. God started this ministry on the foundation of prayer and if we would pay the price in prayer, run the race, we will walk in the overflow. These 21 days can be life-changing as we covenant together, spending time each day in prayer and selected fasting. Included is a prayer agenda that will govern and guide our 21 days of incredible power-packed fellowship with God through our Holy Spirit. Together we can make a difference.
