Apostle Ron & Dr. Georgette Frierson

The favor of God, our faith in God, our commitment to God along with our God-given commitment to the kingdom of God and New Covenant Christian Center Church has brought us to this point of success in ministry. The years of creativity, innovation and commitment have brought us from a room rental at the YMCA, to ownership of 13 acres of land and approximately 35,000 sq.ft. of building in which we can fulfill the vision God has given us for this city.

In 1987, God gave Apostle and Dr. Gee a vision that would impact the city. Beginning as an outreach ministry, we touched lives of many in jail, or addicted to drugs, and many others through street ministry; helping them to commit to God, their families and the church.

Many of those touched by that outreach ministry are a part of the church today. The church was established in June of 1989 with eight believers in a small room at the YMCA. These eight believers committed themselves to God and the church to bring that vision to fruition. The vision advances today and NCCC is where it is today because of the first fruit commitment of the few. We sacrificed, did much with little, and made NCCC one of, if not the most progressive churches in the region, and the world.

We are here to build people of Principle, Purpose, Prayer, Power and Praise. Impacting generations to come! We are a ministry of spiritual and moral integrity, which promotes the "Spirit of Excellence" in the body of Christ by teaching and preaching the Word of God.
